*Call to Worship – (8:15) Lori Andrews (10:35) Nate Kitson

At camp, when the sun rises, all kinds of sounds find their way to our ears

When the sun rises –

birds begin to sing.

When the sun rises –

morning breezes greet open sleepy eyes.

When the sun rises –

campers and counselors rise to greet the day.

When the sun rises –

campers are heard sharing in a morning meal.

When the sun rises a day at camp begins.

Awesome and Amazing God, we come this morning to celebrate your presence in camping experiences and memories. We give you thanks for the opportunities and ministry of church camp. We give you thanks for the reminders of your creative presence in birds chirping and leaves rustling in the breeze. We give you thanks for your reminders all around us that we are not alone, that you are ever with us. Help us to discover your gift of grace this morning in this time of worship, in this time of celebrating the wonders of camp. Amen.
