

Fire Alarm or Smoke

- ✓ If alarm has not been sounded, activate it
- ✓ Call 911
- ✓ Evacuate the building
 - Use the nearest exit going away from the fire or smoke
 - Don't leave anyone behind
 - Do not use the elevator
 - Please leave personal belongings behind – your safety is more important
 - Move to designated area away from the facility

Once you are out of the building, please account for your family members

Medical Emergency

Call 911

Notify the nearest usher

Have usher notify any medical personnel who are present

Stay with the person until first responders arrive

Obey the instructions of first responders

Severe Weather

- ✓ Alarm: Weather siren or from ushers
- ✓ Safely move to the basement or designated area of the church
- ✓ Stay away from windows and doors
- ✓ Remain sheltered until the all clear is given

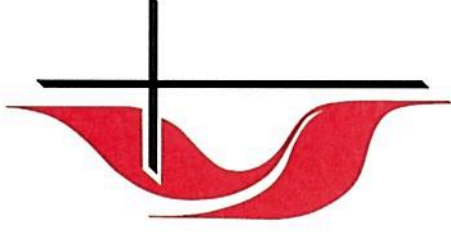

Active Shooter

- ✓ Call 911
- ✓ Respond quickly –

✓ **RUN – HIDE – FIGHT**

- Run away from the shooter and outside of the building
- Hide in a room, away from windows, barricade the door, turn off lights and cell phones – remain silent
- Fight by throwing any type of object at the shooter to distract him/her

- ✓ Respond to first responders and obey their instructions
